****ATTENTION ALL CONTRACTORS****

The Department of Industrial Relations is conducting a statewide wage and benefits survey for the installation of metal roofing systems. If you are a licensed contractor and have performed metal roofing on a commercial project¹ during the period from January 1, 2005 through December 31, 2005 and have not received a survey questionnaire please fax the Division of Labor Statistics and Research the following information at (415) 703-4771 or contact Ke Ouyang or Jason Vickers, Research Analysts at (415) 703-4780:

Name of Business

Name of Contact Person

Address, City, State and Zip Code

Phone Number

Fax Number

California Contractor's State License Number

Once we receive the above information, a survey questionnaire will be sent to you for completion.

¹Commercial construction is defined as work performed on all non-residential construction projects including new work, additions, alterations, reconstructions and repairs. Includes residential projects over four stories. Excludes single family homes and apartments up to and including four stories in height.
